DONATION OF SECURITIES

PROCURE Alliance thanks you for your donation of securities. According to current tax regulations, your donation of securities is exempt from capital gains tax only when the securities are transferred in kind.

An official tax receipt will be issued based on the date this document is signed, which will also be used to determine the donation value, calculated according to the closing price of the securities on that date. If the securities are denominated in a currency other than Canadian dollars, the exchange rate published by the Bank of Canada on the date of signature will be used.

To make a donation of securities, follow these simple steps:

1. Inform PROCURE by sending an email to info@procure.ca, attention: PROCURE Customer Service.
2. Please ask your financial institution to complete the in-kind transfer of securities by forwarding this signed document to them.
3. If you have any questions regarding the transfer process, please contact us at 1 855-899-2873.

Your broker may contact us directly, or if you prefer, we can contact your broker on your behalf to help facilitate your donation.
